

Tom Harrison - Statement for Election as CSCC Treasurer

I have been a caver for over 10 years and a Mendip Caving Group (MCG) committee member since 2013. I am also a registrar for the MCRA. My caving is mostly digging at the moment, but I still enjoy the odd tourist trip and a visit somewhere new when the chance arises.

In 2017 I was asked to take over the role of treasurer for the MCG and have filled that role on the committee ever since. I have a good eye for detail and figures and I'm a competent Excel user.

I understand the importance of representing the caving clubs of the southern region and feel that I am willing to listen to all the opinions and arguments of different parties before deciding where I sit on a particular issue.

Outside of the caving world, I work as an Air Traffic Control Officer at the London Area Control Centre near Southampton. As this involves shift working, it can affect my availability to attend all meetings but, should I be elected, I will endeavour to be available as much as I can be. Even whilst at work, I can often join online meetings for short periods at a time.

Best Regards,

Tom Harrison
