5 Other matters arising from previous minutes

None

None

6 Conservation & access officer's report

Les Williams

Report presented to FT in LWs absence

Additional to the caves mentioned in the next section:

A report has been made that the newly fitted gate to Winsor Hill Sink (old NASAH dig) has become unfastened. This will be verified soon.

Stainless steel risers for conservation work in Sanford levy have been supplied to the diggers.

6.1 Report on caves

- Rhino Now open
- Box Quarries Gate Damage being repaired.
- Compton Martin Ochre Mine Volunteer needed to remove gate
- Viaduct Sink Fitting gate ongoing
- Swildons Repair of causeway leading to blockhouse, Ongoing
- Swildons Style Repair of stone stile on way to Swildons. Ongoing
- Loxton Cavern Ongoing

7 Chairman's report

Alan Butcher

8 Honorary secretary's report

Frank Tully

9 Honorary treasurer's report

Dave Cooke

Accounts for 2015 submitted to BCA, we await payment.

Historical grant has now been paid by BCA, issues are now resolved.

Officers expenses to be submitted asap.

10 Training officer's report

Chris Binding

Did not attend Derbyshire training meeting on 19th September due to getting stuck in traffic.

Awaiting news about easing of the Recreational Caver Training Grant application process as I believe the present system is too clunky and actually a Catch:22 which isn't workable. Nigel Ball has contacted about this but nothing outlined presently. A couple of coaching days are in the offing and it will be useful to see how the RCTG works, or does not work, in a real scenario as a result.

There is a meeting scheduled for 16th December and this is being attempted via Skype.

Report sent by email 2/12/2015

11 Equipment officer's report

Faye Litherland

12 BCA rep report

James Begley

12.1 Drws Cefn

Stuart France and Nigel Rogers have paid a solicitor to draft a letter to Natural Resource Wales regarding closure of the entrance. Copies of this letter have been forwarded to the PDMC and the land owner. In summary this letter threatens to take Natural Resource Wales to judicial review if it allows the entrance to be obstructed by a grille or a similar structure.

General Meeting - Saturday 5th December 2015

DRAFT – Published 08 December 2015

This dispute is not relevant to CSCC directly however BCA may be required to discuss this and make a decision, JB will therefore require instruction regarding this from the committee.

CSCC instruction to JB is that he should; support the Status Quo and follow the BCA constitution.

12.2 CRoW

The committee does not believe that BCA are putting into place any contingencies to protect the caves if unrestricted access to caves is granted when the CRoW legislation is amended.

CSCC instruction to JB; to contact Andrew Hinde with regard to finding out what is the process which should be followed when applying for a section 26 exemption to the act and the expected timescales required before this exemption is applied.

CSCC instruction to LW; that he should raise an item for discussion at the next BCA C&A committee.

- In the event of CRoW legislation being amended to allow unrestricted access to caves; what process will be implemented to protect the caves using by bringing into place a restriction using Section 26 of the act.

CSCC instruction to JB; to bring to the next BCA committee CSCC committee's views that;

- Tim Allen in his appointment as CRoW liaison officer does not appear to be being impartial and is instead is lobbying for change. CSCC committee believes that as Crow liaison officer he should be impartial.
- BCA should always follow their constitution.

13 Webmasters report

Aubrey Newport

AN & FT to put draft and approved minutes on website.

14 Regional registry officer's report

Alan Gray
