

Treasurer's Report

A draft set of account for 2019 was circulated for the July 15th meeting. A copy is available on the website. The Independent Examiner has now approved the accounts for 2019. My thanks go to Aubrey Newport, especially for auditing the accounts so speedily.

Virtually no expenditure in the accounts would suggest no work is being done. This is not the case. It is due to Officers failing to claim their expenses.

All the BCA Claims are paid up to date. Once the 2019 Accounts are approved, that claim can go forward to BCA.

Our thanks should go to Pete Glanvill for his donation of £200 towards the powered sprayers for cleaning speleothems. This is from the surplus on the sales of his Reservoir Hole book (available from Pete).

This meeting sets the CSCC subscription. This is payable by CSCC member clubs that are not members of BCA. The subscription has been at £15 for many, many years. I would like to propose that it is set to £30. I note that membership of BCA for a club is between £25 and £70.

As last year, I feel it is time for me to step down as Treasurer for a newer fresher face.

Webmasters Report

After the BCA AGM, BCA may not have the capacity to run Web Services. The CSCC website is currently hosted on BCA's server and therefore may need to be re-homed.

I'm happy to host the website on my own virtual server (VPS) for free. The other option is to be hosted on a BCA funded shared server. The VPS is the technically better solution and my preference.

I'll not move the site until I have to but a decision in principle as to CSCC's preferred option would be useful.

A reminder that any Officer can update the website, you just need to request a password from me and have about 15 minutes of training.

It would be useful for the Officers to review their sections of the website and bring them up to date where relevant.

Any content for the website is always welcome.

I'm happy to stand again for the role of Webmaster.
